Whatever the situation in life, Bosch's cordless multi-purpose tool EasyCut&Grind has it covered. The strong Li-ion-powered motor and a set of abrasive accessories (multi-material, metal cutting) ensure multi-functional versatility. The cutter is ideal for convenient, one-handed operation in tight spaces. Its compact size as well as the 2-step activation ensures safe use, no matter the user's experience level. The tool is ideal for cutting and sanding on wood, metal, plastic, and other materials up to 14 mm. The freehand cutting adapter enhances cutting performance, while simultaneously enabling quick, guided cuts.
