

ATEN USB to PS/2 Converter

Model: CV10KM-AT

Manufacturer: ATEN

EAN: 4710469341236

Product Code: 702171

R3,063

The CV10KM is a USB to PS/2 signal converter that converts USB keyboard and mouse signals into PS/2 signals. When installed with the KE / CN / RCM series products, it eliminates the high cost with replacing KVM switches. With the compact and bus-powered design, the CV10KM fits perfectly into most of the PS/2 computers.
