

i-tec Thunderbolt 5 Triple Display Docking Station, M.2 slot, 6x USB, 2.5GLAN + Power Delivery 140W

Model: TB5TRIPLEDOCKM2PD

Manufacturer: I-TEC

EAN: 8595611707940

Product Code: 705310

R5,503

A next-generation docking station built on Thunderbolt™ 5 technology, delivering a new level of performance, connectivity, and visual experience.

With data transfer speeds of up to 120 Gbps and support for up to three 8K displays, it provides exceptional workspace for demanding multitasking, creative work, and professional environments. It easily handles multiple monitors, high-speed data transfers, and charging of powerful laptops with up to 140W Power Delivery – all through a single connection.

A wide range of ports, including USB, 2.5Gb Ethernet, card readers, and an integrated M.2 NVMe slot for ultra-fast storage expansion, transforms the dock into a complete workstation solution.

Fully compatible with devices featuring Thunderbolt™ 5, Thunderbolt™ 3/4, USB4, and USB-C, it ensures maximum flexibility across platforms.

Designed for professionals who expect uncompromising performance, reliability, and connectivity in one compact device.
