

Zalman ALPHA2 A24 BLACK computer cooling system Processor All-in- one liquid cooler

Model: ALPHA2 A24 BLACK

Manufacturer: ZALMAN

EAN: 8809213763625

Product Code: 705919

R2,939

READY for Intel 14th Gen Processors & AM5

It is fully compatible with the latest intel's processors as well as AMD Ryzen. Power management technology for each processor is seamless with no compatibility issues.

Live CPU Temperature Display

Alpha2 AIO features a Real-time display function that pulls the temperature from the BIOS, allowing users to monitor current temperature immediately.

Innovative Water Flow Pump Design

The innovative way to prevent pump overload by separating the inflow and discharge of coolant into dual flow paths. Maximum cooling performance by minimizing residual fluid.

High-Performance Pure Copper Base

Cools down the CPU temperature more effectively

Zalman AF120 Annular Fan with Shark Fin Blades

Unlike regular cooling fan, specially designed Zalman AF120 Annular FAN with Shark fin blade provides minimum resistance to airflow allowing minimum operation noise. Hydro Bearing, like ball bearing, does not come into contact with metal and lubricant layer replaces bearing. It causes low noise, low heat and shock-resistance that is extremely durable and long-lasting.

Vibrant ARGB Lighting Effect & Pre-installed Anti-vibration rubber pads

Stunning and bright ARGB colors shine through the AF120 presenting your build in the most beautiful light possible.

Optimized PWM control

PWM controls automatic adjustments to fan speed according to the user's environmental noise level to provide optimal performance

Excellent thermal conductive thermal compound ZM-STC10

Alpha2 comes with ZM-STC10. STC10 provides ideal heat transfer to keep PC cool and ready for heavy loads. It provides excellent thermal conductivity by filling the space between the cooler base and CPU
