

i-tec SOLOMON WH200 2K Webcam Windows Hello

Model: CAMSOLOMON2KW200

Manufacturer: I-TEC

EAN: 8595611707919

Product Code: 709061

R2,794

The i-tec SOLOMON WH200 is a business-focused webcam combining clear image quality with enhanced security. It offers efficient 2K resolution, a wide 92° field of view, and native Windows Hello support for fast and secure facial authentication.

Automatic image processing ensures consistent video quality, while the integrated privacy shutter provides physical protection when the camera is not in use. SOLOMON WH200 is an excellent choice for corporate desktops, office environments, and IT-standardized workplaces.

AUTOMATIC IMAGE OPTIMIZATION

- Automatic Exposure (AE) automatically adapts brightness and contrast to changing lighting conditions, keeping the subject clearly visible without overexposed highlights or dark shadows, all without manual adjustment.
- Automatic White Balance (AWB) automatically adapts color temperature to different lighting conditions, keeping whites neutral and skin tones natural for consistent, accurate color reproduction

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

without manual adjustment.

- Automatic Black Level Control (ABLC) dynamically adjusts black levels to preserve shadow detail and contrast, preventing crushed shadows or washed-out blacks for a deeper, more balanced image.
