## **R6,606**

The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations whilst retaining the same look and feel.

Bosch surveillance cabinets are designed to meet the power and electrical safety requirements for cameras used in outdoor security applications. The surveillance cabinets provide a power supply for situations without PoE.

The NDA-U-PA2 includes a transformer with 230 VAC input and 24 VAC output, to power the cameras rated up to 100 W with surge protection.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
