

NEEWER F100 Field Monitor + USB Charger + Battery Kit

Model: F100

Manufacturer: NEEWER

EAN: 6976831831233

Product Code: 710214

R3,513

NEEWER F100 monitor + USB charger + battery kit

The NEEWER F100 is a versatile monitoring kit that includes a 7-inch IPS monitor with a resolution of 1280 × 800, an NP-F550 battery with a capacity of 2600 mAh, and a USB charger. The screen offers 450 nits of brightness, a 1200:1 contrast ratio, and a 16:10 aspect ratio, ensuring a clear image during recording. The compact design, measuring 17 mm thick and weighing 370 g, makes the monitor convenient to transport and use in the field.

Clear image and wide compatibility

The monitor supports multiple video formats, including 1080p, 1080i, and 720p, allowing it to work seamlessly with various cameras and camcorders. HDMI and AV inputs enhance its versatility, allowing connection to various devices such as DSLR cameras, stabilizers, and professional film kits.

The included sunshade improves image visibility in bright environments.

Advanced preview features

The F100 offers practical tools to support recording, such as focus assist, color channel preview, frame markers, and a freeze-frame function. These features make it easier to control framing, focus, and composition, resulting in higher-quality recordings. The ability to precisely adjust image settings enhances control on set.

Ready-to-use kit

The kit includes an NP-F550 battery and a USB charger, allowing you to start working without having to purchase additional accessories. The included HDMI and AV cables make it easy to quickly connect your equipment, and the ball head allows for flexible positioning of the monitor. This is a practical solution for creators who need a complete monitoring kit.

Included

- F100 Monitor x1
- Sunshade x1
- Mini HDMI Cable x1
- Micro HDMI Cable x1
- AV Cable x1
- Ball Head x1
- NP-F550 2600 mAh Battery x1
- USB Charger for NP-F550 Battery x1
- User Manual x1
