R889

The MicroConnect GRUELU4H015 4-way power strip offers a convenient and reliable solution for expanding your power outlets. This white power strip features four sockets, allowing you to connect multiple devices simultaneously. With a 1.5-meter cable, it provides flexible placement options in your home or office. Designed without earth, this power strip meets specific regional electrical standards and offers a streamlined design. As a trusted European supplier with over 20 years of experience, MicroConnect ensures this power strip delivers premium quality at a fair price, providing a safe and efficient way to power your electronics. Ideal for use in areas where earthing is not required, it embodies MicroConnect's commitment to providing pioneering and reliable connectivity solutions.
