Neewer NW3300 Camera Backpack (Red)

The Neewer NW3300 offers creatives reliable protection for their gear while traveling. Thanks to its 2-in-1 design, it can act as a backpack or a wheeled suitcase, and its dimensions of 55 × 35 × 26 cm make it fit into most carry-on luggage compartments. In addition, 11 adjustable compartments, 4 small pockets and 4 mesh pockets make it easy to organize your space. It's a practical solution for photographers and filmmakers who need to easily transport a complete shooting kit.

Capacity and organization

The interior features 11 adjustable dividers to adjust the space for DSLRs, lenses, covers, flashes and other photo kit items. An additional 4 small pockets and 4 mesh pockets allow you to organize SD cards, batteries, cables, chargers, filters and small accessories. What's more, the front pocket will accommodate a laptop up to 17", and a special strap allows you to securely attach a tripod.

Convenience of use

The NW3300 can act as a backpack or suitcase. The extendable telescoping handle and smooth-rolling wheels make it easy to move around airports and photo sets, and when you open the zipper, you can pull out the EVA foam-reinforced, breathable suspenders. In addition, two handles allow you to carry the bag comfortably in any situation.

Equipment protection

The outer layer of the backpack is made of waterproof nylon, which ensures the safety of your equipment when working in wet and rainy conditions. The included rain cover further protects the contents from water, dust and dirt, increasing the safety of the transportable kit.
