

ATEN VS0104 video splitter VGA 4x VGA

Model: VS0104

Manufacturer: ATEN

EAN: 4710423778863

Product Code: 721455

R3,206

The ATEN VS0104 4-Port VGA Splitter with Audio is a VGA splitter that allows a single VGA video and audio signal to be distributed to four output displays with independent stereo control. The splitter supports up to 450MHz video bandwidth, which provides optimum video quality, supported by resolutions up to 1920x1440.

Furthermore, for complete systems integration, serial control is standard through the VS0104 built-in RS-232 ports, which allow the splitter to be controlled through a high-end controller or PC.

The VS0104 is perfect for conference rooms, training facilities & multi-display broadcasting, with cascading support up to three levels allowing a single video signal to be sent across up to 64 video displays while sustaining the highest quality possible.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
