Neewer 660 Bi Color LED Studio Set, Two 40W 3200-5600K Lamps + Stands + Barn Doors

The Neewer 660 Bi Color LED studio set is a high-quality lighting solution for filmmakers, photographers, YouTube content creators, and streamers. It includes two lamps—each equipped with 660 LED bulbs, offering up to 40W of power and a maximum brightness of 3300 lux. You can also adjust the light intensity and its color temperature. Moreover, with a high CRI of 96+, the set ensures authentic color reproduction, which is crucial in professional visual production.

Precise Light Control

Adjust the lighting to your needs and achieve fantastic visual effects. The lamps allow you to regulate the color temperature of the light from 3200K to 5600K and its brightness—from 0% to

100%. You also don't have to worry about annoying flickering. The set also includes high-quality diffusers, which are excellent for portrait photography, for example.

High-Quality Construction and Versatile Use

The lamps are made from durable aluminum, which not only provides solidity but also efficient heat dispersion. Forget about the need for noisy fans! Moreover, metal barn doors allow for shaping the light beam and controlling its spread, and a U-shaped handle allows the light panel to rotate 360°, enabling the desired lighting angle to be set. Note: when the barn doors are mounted, 360° rotation is not possible.

Dual Power Supply and Clear Display

The set can be powered using the included AC adapter or, if you prefer greater mobility, using NP-F550 or NP-F970 Li-ion batteries (not included). Also noteworthy is the high-resolution LCD screen that makes it easy to monitor brightness settings, color temperature, and battery level.

Stable and Adjustable Stands

The included stands are made from aluminum alloy and can be extended from 66 cm to 190 cm. This gives you greater flexibility and allows you to freely adjust the lighting to your needs. Moreover, special locks enable quick and safe height adjustments, ensuring stability even when fully extended.

Included in the Set

- 2x Bi Color LED lamps
- 2x diffuser
- 2x power adapter
- 2x power cable
- 2x stand
