## R1,062

### Easy to use, plug and play

The colourful Philips USB flash drive Vivid Edition allows you to easily store and share all of your multimedia files, such as photos, music and videos, and your personal data.

### Data transfer with high-speed USB 2.0

High-speed data transfer rate allows you to read and write all of your favourite files such as photos and music files.

### 128 GB storage capacity

Enough capacity to store more than 36,000 of your favourite photos or 22,000 MP3 music files\*

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

### **Integrated protective cap for your convenience**

Never lose your cap again! The protective cap is integrated into the product design, so it will always stay attached to the USB stick. To use it, simply turn the cap backwards. Just plug and play!

### **Trendy and colourful**

Pick your trendy colour: dragon green, electric blue, smoky grey, ultraviolet purple or sunrise orange. Store and share your data with style.

### **Pocket-sized storage**

Pocket-sized storage that allows you to carry all of your favourite music, videos and photos with you wherever you go.

### **Activity indicator lights up when copying files**

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.
