Perfect grinding, by the press of a button

With the coffee grinder Tefal, ingredients are perfectly ground in seconds. Whether coffee, spices or peeled fruits, ingredients are homogenously ground to just the right texture, preserving aromas and flavors. Ideal for coffee, the Tefal's pulse button system ensures you easily get the light, strong or balanced aromas you desire. Featuring an attractive, modern design in quality materials and finishes, it is equipped with a stainless steel blade and safety-lock bowl.
