R8,659

As the outdoor and endurance smartwatch market continues to grow, the T-Rex 3 Pro is designed for those who forge their own path. Built with
military-grade toughness and elite training features, this rugged, adventure-ready smartwatch delivers unmatched positioning and route
flexibility with offline maps, turn-by-turn navigation, and intelligent rerouting powered by six satellite systems. It also includes a built-in two-color
flashlight and onboard calling for added safety and connectivity on the go.
With over 170 sport modes including trail running, mountain biking, scuba diving support, and smart
