Product information "USB 2.0 Type-C cable, C/M to USB-C/F, PD, black, 1 m" from LogiLink

This USB 2.0 Type-C extension cable with Power Delivery supports fast charging and HiSpeed data transfer. It allows you to easily use your existing USB-C cable for charging and data exchange with your device. Also ideal for extending existing cables connected to your external USB devices (e.g. docking station, converters, hubs, etc.). At the same time, the USB-C socket of the device is protected from frequent plugging and unplugging.
