

LevelOne 2.5 Gigabit PoE Injector, 60W, 802.3af/at/bt

Model: POI-5005

Manufacturer: LEVELONE

EAN: 4015867241608

Product Code: 749348

R2,018

The LevelOne POI-5005 is a cutting-edge 60W Ultra PoE injector engineered to solve the power-hungry demands of 2026's high-bandwidth hardware. Delivering up to 60W of power over all 8 pins, it provides a synchronized energy and data hub for Wi-Fi 7 access points, 4K PTZ cameras, and high-wattage digital signage displays.

Compliant with the latest IEEE 802.3bt standard, this injector utilizes both end-span and mid-span pairs to ensure efficient and stable power delivery. It supports Multi-Gigabit speeds up to 2.5Gbps, making it compatible with the most emerging high-speed network devices while effectively simplifying deployment by removing the need for local power outlets.

Safety is a core priority for the POI-5005, featuring intelligent auto-detection to safeguard your hardware. Its robust design and wall-mount support provide a secure and stable interface, maintaining the operational readiness and performance of your mission-critical professional digital assets.
