Grill

Oven baked dishes topped with cheese, toasting bread, browning dishes – the grill function brings even more enjoyment and variety to your quick cooking. You can even grill sausages, steaks and chicken perfectly in your Sharp microwave – and treat yourself to the extra electric grill into the bargain.

Microwave

Whether it's defrosting, heating up or cooking the magic word for fast, simple cooking is microwave. It works with high-frequency electromagnetic waves, which not only saves time but also energy compared to the oven. At the same time, your Sharp appliance is space-saving, compact and easy to use making it perfect for daily use.
