

Sharp AF- GS552AE-B Single 5.5 L Stand-alone 1650 W Hot air fryer Black, Silver

Model: AF-GS552A

Manufacturer: SHARP

EAN: 4550556103541

Product Code: 753715

R3,498

Air Fryer with full digital control

Energy Saving

One of the major advantages of using an air fryer over a conventional oven is energy saving. You can save up to 50% electricity (Compared with 1600W oven)

Removable frying basket

By allowing heat to circulate underneath the removable frying basket the air fryer produces evenly crispy food.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
