R8,139

Permanently smooth skin thanks to SkinPro (SensoAdapt™) technology²

Skin tone varies across the body, so the SkinPro (SensoAdapt™) sensor (with UV filter) continuously reads your skin and automatically adapts the power of every flash to your different body areas.

Powerful and Gentle

The SkinPro (SensoAdapt™) sensor continuously reads your skin tone 80x per second and automatically adjusts the intensity level to ensure the perfect balance between fast results &

gentleness on skin.

Your skin is in good hands

Thanks to SkinPro (SensoAdapt™) technology and the built-in UV filter, you can enjoy a comfortable and virtually painless IPL session at home.

Permanently smooth skin

Silk-expert Pro 3 is accurate and thorough, for silky skin that lasts.

Smooth skin even in delicate areas

At the touch of a button, the sensitive skin mode adapt the light intensity for long-lasting smooth skin even in sensitive & delicate areas. Also ideal for first time users.

Less missed areas

The Silk-expert Pro 3 is one of the fastest IPL's on the market²—flashing up to every 0.6 seconds. The continuous, high-speed flashes allow for effortless gliding and fewer missed spots.

3 levels of intensity

The 3 levels of intensity ensure the light intensity is right for your skin tone.

Built to last

The Silk-expert Pro 3 is built to last for approximately 16 years, delivering up to 300,000 flashes—all without needing to replace the lamp³.

Find out if IPL is right for you

Braun IPL is suitable for a wide range of skin tones on light to medium dark skin tones, with hair ranging from natural blonde to dark brown or black. The IPL is least suitable on very blonde, red,
