R3,841

The R-Go Read2Write document holder subconsciously encourages you to work in an upright posture. This lightweight document holder easily transforms into a writing surface by pulling the sheet towards you. By pulling the work towards you, you avoid a hunched posture. For note-taking, the Read2Write has a soft foam wrist support on the front. This prevents annoying pressure on the wrists while writing. Besides ergonomic features, this document holder and lectern in 1 has a unique
