The LCD-352/4-3 desk mount transforms any workspace into a modern, organized, and ergonomic setup.

It supports four monitors from 17" to 32" (VESA 75×75 / 100×100) with a load capacity of up to 10 kg per screen.

With a wide range of motion – tilt +45°/-45°, swivel +90°/-90°, and rotation +180°/-180° – each monitor can be positioned precisely to your ideal viewing angle.

Featuring 376 mm arm length and a 803 mm height pole, it offers excellent flexibility for multi-display configurations, while the integrated cable management keeps the setup clean and professional.

Installation is straightforward with either a desk clamp (10–85 mm) or grommet mount (10–45 mm). The detachable VESA plate makes monitor installation quick and simple.

Made of steel and plastic in an elegant black finish, the LCD-352/4-3 is perfect for advanced multitasking, professional workstations, analytical setups, gaming, or creative projects – the ideal addition to any modern workspace that demands maximum productivity.
