R2,842

The DIGITUS mounting kit allows for two LCD displays or a curved LCD display, making it a versatile solution for any workspace. Crafted from a blend of plastic, aluminum, and steel, this kit ensures durability and stability while supporting display sizes ranging from 15 to 35 inches. Features like an integrated cable management system and adjustable height, tilt, swivel, and rotation enable users to customize their setup for comfort and viewing angles. Its C-clamp mount provides secure attachment to desks, making installation simple and efficient.
