EAN: 5397184911549

Product Code: 761412

R1,656

Short summary:

Dell 90W USB-C AC Adapter ? DELL-14P3N

The Dell 90W USB-C AC Adapter provides a reliable charging solution for compatible Dell laptops. It is ideal as a replacement for the original AC adapter or as an additional power supply for use at home, in the office or while travelling.

The compact AC adapter is easy to carry. The included 1-metre European power cord and rubber cable strap make it easy to use and keep the cables neatly organised.

The USB-C connector enables compatible devices to be charged with up to 90 watts of power. The adapter can also be used with compatible USB-C devices that require less power.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
