- Use the advanced pointer system to precisely highlight or magnify areas of focus in pixel-perfect detail. Visible to audience in-person and via video conference.
- Use the on-screen cursor to play and pause videos, open links and enjoy a range of rich content interaction. No need for a mouse or trackpad.
- Spotlight reminds you when it's time to wrap up. The presentation remote vibrates five minutes before the end of your presentation and again when your time is fully up.
- Connect to your computer via USB receiver or low energy Bluetooth® Smart. And switch seamlessly between the two by plugging or unplugging the receiver. A convenient, built-in dock stores the USB receiver when not in use.
