The Neomounts NSLS025 notebook desk stand is a great choice if you want maximum viewing comfort for your laptop.

This high quality product is made of brushed aluminum and is compatible with Macbook-series and most 10-17" laptops.

Easily elevate the laptop for a comfortable typing angle. By using an ergonomic stand like the Neomounts NSLS025 neck- and back complaints can be avoided. The hollow design avoids over-heating problems for maximum notebook speed.

The non-slip silicone feet and laptop rest increases the stability and prevents scratching. On the back of the product there's a cable hole to neatly organize your cables.
