With four connections – one USB-A and three USB-C ports – you are prepared for anything. Be as flexible as possible and charge multiple devices at the same time. Whether smartphone, tablet, laptop or other devices – you no longer have to worry about empty batteries. The latest charging protocols such as Power Delivery 3.1 (PD 3.1) and Quick Charge 4.0 (QC 4.0) ensure maximum charging speed. Regardless of your device type.

With e-marker chip.

For maximum performance.

Included in the bundle: the USB-C to C cable C520C with integrated e-marker chip. What this means for you: the full power of PD 3.1 and therefore charging capacities of up to 240 W. This means that even the most powerful devices are fully operational again in no time at all. With the GaN Power Adapter Bundle, you have everything you need. Whether you are travelling a lot – or simply want the best charging performance for your devices.
