- **Lightweight Design:** Weighing in at only 240 g (8.5 oz), G335 is smaller and lighter than the G733, features a suspension headband to help distribute weight and is adjustable for a customised fit
- **All-day Comfort:** Soft memory foam earphone pads and sports mesh material are comfortable for extended use so you can take your gaming to the next level in style and comfort
- **Plug and Play:** Quickly jump into your game and simply connect with the 3.5 mm audio jack; these colourful headphones are compatible with PC, laptop, gaming consoles, and select mobile devices
- **Headset Controls:** The volume roller is located directly on the ear cup to quickly turn up your game or music, whilst the flip-to-mute microphone can be easily moved out of the way
