

WRL CAMERA 1080P/TAPO C500 TP-LINK

Model: TAPOC500

Manufacturer: TP-LINK

EAN: 4897098685860

Product Code: 761912

R1,483

Capture Everything Around

Outdoor Pan/Tilt Security Wi-Fi Camera

360° All-Round Protection

Track the motion with 360° horizontal & 130° vertical viewing range, or turn on the patrol mode to keep the camera cruising among up to 8 customized points.

Advanced Person Detection for What Matters

Smart AI identifies a person accurately, reducing false alarm and sending real-time notifications through the Tapo app.

Build to Withstand Water & Dust

Tapo C500 is protected against jets of water and dust with IP65 weatherproof rating. It works well in rain, snow, dust, and heat.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Customizable Sound and Light Alarm

Craft your own audio alarm and tailor the intensity of the dual spotlights to fit your needs. Activate the integrated siren along with the spotlight alarm to deter unwelcome intruders effectively.

Secure Local & Cloud Storage

Save all your important moments to a microSD card¹ (up to 512 GB) or subscribe to Tapo Care² for cloud service after a free trial.

Up to 512 GB local storage equals 954 hours (about 40 days) of 1080P footage, freeing you from being stuck with limited built-in storage.

Receive rich notifications with snapshots, encrypted protection, data backups, and 30-day video clip history with Tapo Care cloud services.

Install Where You Value Most

Tapo C500 supports multiple installation options. You can install the camera on the wall, eave, or pole³. Monitor the area where you care the most.

Customizable Activity Zone

Customize detection zones to receive alerts for your most important areas.

Voice Activated

Enjoy your smart life and keep an eye on your vital areas with Alexa & Google Assistant supported.

Two-Way Audio

Communicate directly with the outdoors for your convenience.

Physical Privacy Mode

Maintains your privacy with the lens physically blocked by the housing.

- **360° All-Round Protection:** Provides 360° horizontal & 130° vertical viewing range, eliminating blind spots
