Built-in Microphone

Omnidirectional built-in microphone with 3 meters pickup distance, provides business-class audio performance.

Low Light Performance

The ultra-high SNR CMOS image sensor can effectively reduce image noise at low light conditions. Meanwhile, 2D and 3D noise reduction algorithms are employed to sharply reduce image noise. So the images keep clean and clear even under ultra-low light conditions.

Easy Installation

Free to mount the camera on top of screen or on desktop.
