The Fellowes Alumia Desk Based Laptop Stand is designed to help minimise discomfort in your workspace by elevating your laptop to a more ergonomically correct viewing position, reducing neck and eye strain. It supports laptops up to 5kg in weight and screen sizes up to 15 inches. With 15cm of easy height adjustment, it promotes good posture and all-day comfort . Its compact design, makes it perfect for small workspaces. The Alumia laptop stand features a tilt adjustable platform allowing you to optimise your screen positioning, while the open design enhances air circulation to help keep your device cool. This laptop riser comes with a 5-year warranty and access to top quality customer support to help with any queries you may have.
