30L Duffle bag

Product Features:

- Light and capacious folding travel bag for gym and trips
- High-quality water-resistant material
- This spacious bag will transform into a small folded bag that you can easily put into your luggage.
- Capacious storage compartment
- Side pocket for a bottle of water
- Trolley strap with a zippered pocket for a passport and wallet easily attaches the duffle to any rolling luggage.
- Dual zipper pulls for quick and easy access
- Duffle features a full-length U-shaped opening for easy access to find what you need.
- Carry it comfortably with padded handles and a removable adjustable strap.
