Compact speaker set with stylish design and RGB LED illumination

Compact speaker set with stylish design

Are you looking for a speaker set that combines great sound with awesome design? With the Arys 2.0 RGB Speaker Set, you can enjoy RGB lightning effects while playing music, games and movies. It will brighten your day, any day of the week!

Versatile sounds

With a peak power of 12W, you can comfortably listen to your favourite music and the sounds of the latest games and movies coming from your PC or laptop.

Easy to use

The speakers can be placed anywhere, thanks to the compact design with stylish metal grill, these are a perfect addition to any desk. Once plugged in, the speaker will light up with an automated RGB colour cycle. With the volume button located on the front of the speaker, you can adjust the volume
