### See the sound

The GXT 620 Axon RGB Illuminated Soundbar lights up your gaming audio experience, with rainbow-wave RGB lighting to match the vibe of your favourite games and accessories. Immersive, sleek, and colourful, you'll experience sound like never before.

### Space-saver

The soundbar's slim design means it easily fits below a TV or PC monitor, while 12W of power delivers anything but minimum sound. You'll enjoy an uncluttered gaming setup, along with crystal-clear audio.

### Connected, customised, in control

A large, illuminated control dial means you can quickly and easily make volume adjustments, even
