

TP-Link AXE5400 Wi-Fi 6E Bluetooth 5.3 PCIe Adapter

Model: ARCHER TXE72E

Manufacturer: TP-LINK

EAN: 4897098688380

Product Code: 762146

R1,371

Better Performance WiFi 6E

WiFi 6E means WiFi 6 extended to the 6 GHz band, a newly-opened frequency band that adds more bandwidth, faster speeds, and lower latency. This opens up resources for future innovations in AR/VR, 8K streaming, and more.

Blazing Fast for

Latency Free Streaming

Archer TXE72E arms your PC with the newly opened 6 GHz band, unlocking your WiFi 6E router's full potential. Enjoy unimpeded streaming on the 6 GHz band—exclusive to WiFi 6E devices. This prevents drops in speed and interference from legacy devices.

Superior WiFi Reception

Archer TXE72E brings your PC's WiFi reception to the next level with the revolutionary combination of OFDMA and MU-MIMO. This ensures the efficiency of your PC's WiFi connection by allowing more

devices to communicate with your router simultaneously, rather than waiting in turn for data.

Immersive Game World with Lower Latency

Lower latency is key to seamless experiences in real-time applications like video conferencing and gaming. To achieve this, Archer TXE72E reduces lag by up to 75% with the Intel Wi-Fi 6E chipset.

High-Gain Antennas for Broader Coverage

Two powerful signal-boosting high-gain antennas greatly extend existing Wi-Fi coverage, offering a fast, smooth online experience from farther away.

The Latest Bluetooth 5.2

Coordinate your game controllers, headphones, and keyboards with the latest Bluetooth standard. Archer TXE72E equips your PC with Bluetooth 5.2, which achieves faster speeds and broader coverage.

Your Security Guard

The latest WiFi security protocol, WPA3, brings new capabilities to improve cybersecurity. More secure encryption in WiFi password safety and enhanced protection against brute-force attacks combine to safeguard your home network.

Easy Setup

Simple software installation via disk with the intuitive Utility

Low-Profile Bracket

In addition to the standard bracket, a low-profile bracket is also provided for mini tower computer cases

Operating System

Supports Windows 10, 11 (64-bit)
