with no hassle. Designed for a productive workflow, this combo offers everything you need for extended periods of focused work.

Refined Elegance, Silver Edge

Designed with a refined silver trim, the FORGE K210 Wireless Combo blends clean aesthetics with practical functionality, making it ideal for both work and daily use.

Efficient Precision Unleashed

This full-sized keyboard includes every key you need, with an integrated number pad for effortless data entry. Paired with a compact, symmetrical mouse featuring 3 adjustable DPI settings, this combo lets you feel at home with the precise cursor and familiar key surface and layout.

Productivity Booster

With advanced scissor switches on the keyboard for tactile typing and responsive main buttons on the mouse for swift, accurate clicks, this combo boosts performance and ensures seamless control throughout your tasks.

Wireless, Free from Clutter

Setup is simple — just plug the wireless dongle into a USB port, and you're all set.

With a seamless connection* of up to 10 meters, you can work untethered and keep your desk clutter-free.

Shortcut the Control

Get more done with quick access to essential functions. The keyboard’s hotkeys let you effortlessly control media, adjust volume, and open widgets, while the mouse’s side buttons allow you to flip between pages with just a tap.

Keep Going Between Batteries

With up to 120 hours of battery life for the keyboard and up to 30 hours for the mouse on a single charge of the built-in Li-ion batteries, you can work without worrying about running out of power. When it's time, simply recharge them to keep going effortlessly.

Long-Lasting Lightweight Comfort

Experience enduring lightweight comfort with a keyboard and mouse built for durability. The keyboard features sturdy tilt legs with adjustable height for a personalized typing angle, while the mouse offers a supportive handshape designed to enhance grip and reduce fatigue during extended use.
