

TP-Link ARCHER A64 wireless router Gigabit Ethernet Dual-band (2.4 GHz / 5 GHz) Black

Model: ARCHERA64

Manufacturer: TP-LINK

EAN: 4897098687529

Product Code: 762301

R1,208

High-Performance WiFi for Gigabit Network Entry

Dual Band | Full Gigabit AC1200 MU-MIMO WiFi Router Archer A64

AC1200 Dual Band WiFi Meets Your Smooth Network Needs

The Archer A64 allows you to connect more devices and stream simultaneously with its dual 2.4GHz and 5GHz bands. The 2.4GHz band provides reliable connections for sending emails, web browsing and other simple tasks. The 5GHz band delivers speed up to 867Mbps, great for media-intense applications like video streaming and online gaming. With a lag-free connection, you will never miss out again.

Take Your Network Security to the Next Level

The latest WiFi security protocol, WPA3, brings new capabilities to improve cybersecurity in personal networks. More secure encryption in WiFi password safety and enhanced protection against brute-force attacks combine to safeguard your home WiFi.

Extensive WiFi Coverage Throughout Your Home

With 4 high-performance external antennas, Archer A64 boosts WiFi signals throughout your home. Beamforming technology detects devices and concentrates wireless signal strength towards them, particularly for previously hard to reach outlets.

Simultaneously Streaming to Multiple Devices with MU-MIMO

AC1200 WiFi with MU-MIMO, it establishes multiple simultaneous connection for you to enjoy higher speeds and greater stability. No more bandwidth congestion or latency. Enjoy non-stop entertainment on all your devices - lag free.

10 × Faster - Wired or Wireless

Gigabit Ethernet ports (1 WAN + 4 LAN) deliver speeds up to 10 × faster than standard Ethernet connections. Plug in your PCs, smart TVs, and game consoles for fast and reliable connections. Archer A64 is your best choice for high-performance Gigabit network entry, with a competitive price advantage, full Gigabit Ethernet ports drive your devices to peak performance.

Access Point Working Mode

Switch Archer A64 from router working mode to Access Point mode, to transform your existing wired network into a wireless one.

Easy Setup at Your Fingertips

Set up Archer A64 in minutes via its intuitive web interface or the powerful Tether app. Tether also lets you manage its network settings from any Android or iOS device.
