

CASE FAN

120MM

XPF360R.ARGB/12V

XF073 XILENCE

Model: XF073

Manufacturer: XILENCE

EAN: 4044953504389

Product Code: 762364

R1,156

The XPF360R.ARGB is a triple pack of 120mm PWM REVERSE ARGB fans. The advanced daisy chain design allows for seamless fan-to-fan connection via a pin-to-pin locking mechanism, greatly simplifying installation and optimizing cable management for a tidy LED system.

The seamless Infinity Mirror design creates vivid, intense, and multi-layered lighting effects with flawless mirror reflections, ensuring an impressive visual experience from every angle.

At the same time, the hydro-bearing technology ensures a long service life and virtually silent operation, even under continuous load, thanks to minimal friction and vibration.

Daisy-Chain Design

The integrated daisy-chain connection simplifies installation and significantly reduces cable congestion, providing a tidy and efficient cable management solution.

Seamless Infinity Mirror

Creates vibrant, high-density, multi-layered lighting effects.

Durable & Quiet

Hydro bearings reduce friction and suppress noise, ensuring long-lasting, silent operation.

High Airflow

Precisely shaped and angled fan blades maximize airflow for efficient heat dissipation.

ARGB Synchronization

Supports 5V 3-pin ARGB connections on major motherboard brands for full-system lighting synchronization.

PWM Temperature Control

Supports 4-pin PWM motherboard headers for smart, automatic fan speed regulation.

Reverse Fan Design

with inverted rotor blades provides the same powerful airflow performance while maintaining a clean front-facing lighting display.

- Daisy-Chain Design
- Seamless Infinity Mirror
- Durable & Quiet
- High Airflow
- ARGB Synchronization
- PWM Temperature Control
- Reverse Fan Design

Summary: Xilence Gaming Series XPF360R.ARGB. Type: Fan, Fan diameter: 12 cm, Maximum air pressure: 1.9 mmH2O, Bearing type: Hydraulic. Voltage: 7 - 13.2 V. Width: 360 mm, Depth: 125 mm, Height: 25 mm. Product colour: Black | Vendor Homepage: <https://www.xilence.net/en/case-fans/328> | Bearing type: Hydraulic | Fan diameter: 120 | Fan speed (max): 2000 | Fan speed (min): 1100 | Maximum air pressure: 1.9 | Maximum airflow: 62 | Noise level (high speed): 32 | Pulse-width modulation (PWM) support: Yes | Quantity per pack: 3 | Reversible blade: Yes | Suitable location:
