This sleek protective cover is designed for the PocketBook InkPad Eo, providing reliable safeguarding for its 10.3-inch display against mechanical damage. Made of genuine leather, equipped with an integrated holder, it keeps the Wacom stylus securely stored and readily accessible. Plus, a handy cutout on the back allows for easy photography even with the cover on, ensuring your device remains protected.

With its clever flip-cover design, it supports the E-Note's sleep-cover function, preserving battery life and extending usage time. Closing the cover automatically activates sleep mode, while opening it seamlessly resumes your reading experience.

Your device stays securely in place within the cover, thanks to the built-in magnets.
