

NB ACC AC ADAPTER USB-C 100W/XM020 XILENCE

NB ACC AC ADAPTER USB-C 100W/XM020 XILENCE

Model: XM020

Manufacturer: XILENCE

EAN: 4044953503702

Product Code: 762447

R1,158

The GaN PD USB C Charger combines compactness, handiness and impressive performance in one device. With its slim design, it fits easily into any pocket and makes it the perfect companion for travel, business trips or everyday use. This powerhouse charges notebook devices with USB-C port in no time. Thanks to the advanced GaN (Gallium Nitride) technology, this charger offers incredibly high performance and efficiency. The GaN PD USB C Charger is equipped with five built-in protection circuits that ensure reliable and safe operation, protecting the device from overcurrent, overvoltage, overheating and short circuits. The additionally available Adapter Tips Set, which is only compatible with the Xilence USB-C Charger, allows other notebook models to be connected and charged with the USB-C Charger.

Summary: Xilence XM020. Charger type: Indoor, Power source type: USB, Charger compatibility: Mobile phone, Laptop, Portable gaming console, Tablet. Input voltage: 100 - 240 V, Maximum output voltage: 20 V. Fast charging, Power protection features: Over current, Over voltage, Overheating, Overload, Short circuit. Cable length: 1.8 m, Product colour: Black | Vendor Homepage: _____
