

DVD RW USB2 8X EXT RTL/SILVER GP57ES40 HLDS

Model: GP57ES40

Manufacturer: HL DATA STORAGE

EAN: 8809484672459

Product Code: 762546

R1,161

TV Connectivity

Enjoy your media on your TVs, digital photo frames and PCs by simply connecting your drive with USB cable.

Superior data protection with M-DISC™ Support

The M-DISC™ uses a patent rock-like recording surface instead of organic dye to etch your data onto a disc. The M-DISC has been tested and proven to outlast standard DVDs currently on the market.

Silent Play

The Silent Play technology helps reduce noise during playback by recognizing different multimedia and automatically adjusting the playback speed according to its criteria for optimal performance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Super Multi Compatibility

Hitachi-LG Super Multi Compatibility optical drives can read and write different types of disc formats in one convenient package.

1. DVD+R 2. RW DVD-RAM 3. RW DVD-R

This gives you the option to choose the media best suited for each task.

Windows 10 & Mac OS Compatible

Enjoy complete freedom in use with compatible support for Windows 10 & Mac OS.

8x Writing Speed

Burn more discs in less time with 8x DVD-Max writing speed.

Style Evolution from Slimmer to Slimmest

The overall slim design of only 0.55 inches high optimizes space for the slim OPU installation.
It allows for a sleek companion to thin Ultrabooks and enhanced portability.

Extreme portability from Lighter to Lightest

Only 200 gram weight by mechanical evolution allows to be a comfortable companion to Ultra-thin notebooks.
