TP-Link Archer T4E Internal WLAN 867 Mbit/s

Model: ARCHERT4E

Manufacturer: TP-LINK

EAN: 6935364089931

Product Code: 762569

R1,094

802.11ac - Dual Band Wi-Fi for Faster Connections

TP-LINK's Archer T4E supports the advanced Wi-Fi standard of IEEE 802.11ac, offering 3 times transferring rates as IEEE 802.11n. You can send emails and browse the web with 2.4GHz network, while keeping the speedy 5GHz band free for gaming, HD streaming and other bandwidth intensive applications.

Greater Coverage with Beamforming

Beamforming technology smartly focuses Wi-Fi signals towards connected devices for stable connections and boosted range.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Heat Sink for Ultimate Stability

A heat sink helps to dissipate the thermal energy generated by the adapter, which in turn improves stability. Additionally, lower temperatures help to extend the product lifespan.

External Antennas for More Targeted signal

Two external antennas utilize the latest wireless technology to achieve stable connections and boosted coverage.
