

WRL CAMERA 1080P/TAPO C100 TP-LINK

Model: TAPOC100

Manufacturer: TP-LINK

EAN: 6935364053222

Product Code: 762571

R1,090

Stay Safe.

Whenever. Wherever.

Home Security Wi-Fi Camera

Motion Detection

Receive a notification whenever your camera detects motion and see a video clip of the motion for closer inspection.

Also, you can personalize your own experiences by setting the motion detection zones to only capture what happens in the area that you choose.

Night Vision

Don't wake up your little ones when you crack open their doors to check on them. Watch over them from your phone with 30 ft of night vision. You'll have peace of mind, and they'll have a good night's sleep.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

High-Definition Video

1080p definition video provides more clarity and sharpness in pictures due to a higher number of pixels. This helps with identification and recognition from far away.

Two-Way Audio

Communicate with a loved one through the built-in microphone and speaker.

Protect Your Privacy

Your privacy is ensured with privacy mode and a local storage card.

Privacy Mode

Shut down surveillance to protect your privacy whenever you want.

Local Storage

A microSD card stores up to 128 GB, equal to 384 hours (16 days) of footage. (based on laboratory conditions)

Alarm System

Not only will the camera send notifications to you when motion is detected, it'll also trigger lights and sounds as an alarm.

Share Memorable Moments

Save the most unforgettable moments and share them with your loved ones. Tapo cameras are always there to help you record every memorable moment.

- High Definition Video - Records every image in crystal-clear 1080p definition
- Advanced Night Vision - Provides a visual distance of up to 30 ft
- Motion Detection and Notifications - Notifies you when the camera detects movement
- Sound and Light Alarm - Trigger light and sound effects to frighten away unwanted visitors
- Two-Way Audio - Enables communication through a built-in microphone and speaker
- Safe Storage - Locally stores up to 128 GB on a microSD card, equal to 384 hours (16 days) of footage (based on laboratory conditions)
