## R1,071

### Cool comfort and cushioning

The HyperX Wrist Rest provides comfortable wrist cushioning for use with a mouse or a variety of keyboard sizes. It has an anti-slip natural rubber underside crafted to remain stable while your fingers fly across the keys. Built to last, the HyperX Wrist Rest features anti-fray stitching, and is constructed with a focus on quality, so it'll provide long-lasting comfort session after session.

- Comfortable cushioning that'll keep you cool under fire.
- Textured, natural rubber underside keeps your wrist rest in place.
- Built to provide durability and long-lasting support.
- The HyperX Wrist Rest has size options for use with a mouse or full size, tenkeyless, and compact keyboards.
