Original HEPA13 filter replacement from Philips

HEPA13 filter captures >99.95% of fine dust

The Philips HEPA13 filter for your vacuum cleaner captures 99.95% of the finest dust, for a dust-free environment, with clean allergen-free air. The air passing through the filter is even cleaner than the air already in your room. Vendor Homepage: www.home-appliances.philips/gb/en/p/FC8038_01 |
