The Fellowes Alumia Portable Laptop Stand is designed to help minimise discomfort in your workspace by elevating your laptop to a more ergonomically correct viewing position, reducing neck and eye strain. It supports laptops up to 5kg in weight and screen sizes up to 15 inches. With six easy-to-use height adjustments ranging from 8.1 to 13 cm, it promotes good posture and all-day comfort. The compact and lightweight design folds flat, making it perfect for storage or on-the-go use - ideal for hybrid working environments. Nonslip pads keep your laptop securely in place, while the open design enhances air circulation to help keep your device cool. The Alumia Portable Laptop Stand is FIRA-accredited, meeting the ergonomic requirements of European Health and Safety legislation (EN ISO 9241-5). This laptop riser comes with a 5-year warranty and access to top quality customer support to help with any queries you may have.

- **MINIMISE DISCOMFORT** - Help minimise discomfort in your workspace by placing your laptop at a more ergonomically correct viewing position to suit you with the Fellowes Alumia Portable
