R966

Designed to look great, Crystal Spectrum L creates a flawless surface for optical and laser sensor operation to ensure smooth mouse movements. Perfect for those who value the unique look of their computer accessory setup.

The L-sized, damp-proof surface area of 450x400 mm gives you plenty of space. Its edges are protected by a colorful hem to prevent fraying and the high-quality black rubber layer on the underside keeps Crystal Spectrum L stable, maximizing your comfort during intense online battles. Summary: ENDORFY Crystal Spectrum L. Width: 450 mm, Depth: 400 mm.
