

Neomounts NM-W60BLACK Monitor/TV mount wall 10-30" - tiltable

Model: NM-W60BLACK

Manufacturer: NEOMOUNTS

EAN: 8717371445829

Product Code: 762793

R963

The Neomounts NM-W60BLACK is a sleek and compact wall mount designed for flat screens up to 30" and a maximum weight of 25 kg.

Featuring a 15° tilt function, the mounts offers optimal viewing comfort, especially ideal for screens mounted higher on the wall, such as in bedrooms, living rooms, or public spaces.

With a low-profile depth of just 3,4 cm, the NM-W60BLACK maintains a clean, modern look while securely supporting screens that comply with VESA hole pattern from 75x75 to 100x100 mm.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
