Fellowes I-Spire is designed to provide a range of solutions that transform your home office into an inspiring work environment. Work in both style and comfort with the I-Spire Series laptop riser from Fellowes which features a contemporary and stylish design. Whilst offering 7 simple height adjustments, the I spire laptop lift folds flat providing an excellent portable yet ergonomic solution which is perfect for in the office or on the go. Position your screen at a more comfortable viewing height with this I-spire portable laptop stand which features fold out legs to optimise screen positioning on any laptop up to 17". The I-spire laptop holder raises your laptop screen to eye level and positions the screen at a more comfortable viewing height with simple adjustments, relieving the stress placed on your shoulders neck and eyes. The contemporary and clean design of the I-spire laptop holder prevents your laptop from overheating as well as complementing the modern workspace perfectly. I-Spire offers a complete range of home-office comfort solutions. With cushioned supports for your wrist, lumbar supports, foot lifts and monitor stands and laptop stands, you'll be able to work much more comfortably away from your regular office.
