This self adjusting gel mouse mat with wrist support allows personalised comfort as the wrist rest has the ability to conform to your wrist, which helps relieve pressure and fatigue whilst using your mouse. With the easy clean surface, the design allows you to wipe the mouse pad clean with a damp cloth, making it ideal for all environments. To prevent frustration in the workplace or at home, Fellowes have incorporated a non-skid rubber backing to the mouse mat which keeps wrist rest in place and prevents it from slipping around. Fellowes understand that bad working habits cause many of us physical health problems and fatigue. By using this knowledge Fellowes have created a comprehensive range of ergonomic solutions like this designed mouse mat, that help you enjoy a more comfortable and productive workspace.
