**PocketBook Shell Cover Transparent Light Purple – for Creative Personalization**

Protect your Verse e-reader in style – whether it’s the Verse, Verse Lite, Verse Pro, or Verse Pro Color. This durable cover keeps your device safe from scratches, bumps, and everyday wear. The sturdy hard shell is made from resilient materials, while the soft microfiber lining gently protects the screen and keeps it clean.

The transparent back makes this cover truly unique: personalize your PocketBook with stickers, doodles, or your own designs to turn it into a one-of-a-kind device. At the same time, the original color and elegant look of your e-reader remain fully visible, perfectly highlighted by the trendy light purple frame.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

A built-in magnetic clasp ensures the cover stays securely shut. It also enables the smart sleep function: your device automatically goes into standby when the cover is closed, and wakes instantly when opened. This saves energy and extends battery life.

Combining reliable protection with creative freedom, this cover is the perfect choice for anyone who wants their e-reader to be both safe and uniquely personal in everyday use.
